## THOS. McNAMARA ANSWERS FINAL CALL AT RENO

Thomas McNamara, 57 years of age, widely known throughout southern Nevada by reason of his long residence at Goldfield, died yesterday afternoon at his home in Reno, following a protracted illness from intestinal trouble. News of the death of this former popular resident of this section of the state was received in a wire by Frank McNamara, a brother, who is shop foreman of the United Cattle & Packing company in Tonopah.

Thomas McNamara was associated with the development of the Combination mine during the early days of Goldfield, serving as foreman of the business and social life of that camp and when the Cobalt, Ontario, boom was in its zenith, represented the Goldfield Consolidated Mines company, later returning to Nevada to assist in the preliminary examination of the Candor mine. Mr. McNamara's last mining was at Silver Lake where he served as superintendent of the Simon Silver-Lead mine.

Frank McNamara, the brother, will leave tomorrow morning for Virginia City to be present at the funeral services which will be conducted Monday in that city. Deceased is survived by a widow and two sons and a daughter, who have the sympathy of this community in their hour of sorrow.

MRS. KATHERINE HAGERTY, who has been visiting her niece, Mrs. O. K. Reed at the Kawich for the past few months, will return to her home in Sacramento tomorrow.

## SCHOOL NOTES

The fourth grade pupils are doing better than was expected in the gym. Their one great wish, however, is for a real class room.

The low fifth grade pupils have written letters to some town in some other state of the union, asking for information about that town and state, giving in return information about this town and state. These letters were written to show how much the pupils really know about the state and Tonopah.

The seventh grade pupils are making an imaginary tour of the national parks of the United States. They have a map of the route they are taking and of the different national parks through which they are traveling.

## STUDENT BODY NOTES.

Assemblies were held Wednesday and Friday for the purpose of checking over books and so on. From now on the roll will be called every morning and afternoon and supplies will be issued only once every two weeks. The students have been accustomed to going to their class immediately after reaching school and their respective teachers have reported their absence and tardiness to the office. But this has not been satisfactory. For instance, if a pupil skips a class he is marked absent for a holiday, and there has been complaint about this system. From now on if he skips a class, 5 per cent will be taken off instead. Also supplies have been allowed the students freely, but there has been so much waste of paper and pencils that it has been found necessary to curtail the supply.

About 25 new books have been received for the school library and more are expected.

The juniors gave a "Hard Time" dance Friday, which was enjoyed by all.

The sophomores are busily engaged planning for the "Soph Hop," which they predict is to be the biggest event of the year. It will take place April 7 in the gymnasium, which will be artistically decorated in the class colors.

The sophomores gave an entertainment which was a huge success, Friday before last. A program was rendered by members of the class after which a jittery dance was given.

## AMUSEMENTS

CHARLIE CHAPLIN AND GRACE DARMOND TODAY.

Grace Darmond and Charlie Chaplin appear on today's bill—Miss Darmond, the beautiful blonde star will head a notable cast in the presentation of Peter B. Kyne's highly dramatic story of the west, "The Beautiful Gambler," concerning a girl who tries to save her father from disgrace by covering his gambling losses by her marriage to the owner of the gambling hall. It is a hideously distasteful marriage to her and she is released from her bondage when the hall burns and the man is believed to have perished in the flames. She marries another man and is experiencing her first real happiness in life when an amazing sequence of events, flashed to the screen with amazing rapidity, brings the story to a breathless climax that will establish it as one of the most dramatic entertainments of the season. No need to say anything about Charlie; he will appear in one of his best (two-reel) comedies, "Behind the Screen," and "everybody can indulge in a good laugh."

Tomorrow—Bebe Daniels, in her latest picture, "Nancy from Nowhere," and Ruth Roland, in her greatest western sensation, "White Eagle."

Monday—The big Thomas H. Ince production, "Hail the Woman," a wonderful picture with a wonderful cast.

## BULLION DEFENDANTS DISMISSED BY CUDDY

J. J. "Curley" Carr and Chas. J. Carr, charged with the theft of a bar of bullion from the depot on the morning of March 23, were discharged yesterday afternoon following a preliminary hearing held before Justice Cuddy. There was no evidence introduced to connect the two men with the theft other than that they were at the depot on the morning of the theft, and they explained their presence there by proving they called for some articles belonging to Carr. Later they drove to Crow Springs, where Carr is interested in some mining claims.
